

Major Track Closure

Davenport Diamond Guideway

Friday, April 25 at 11 p.m. - Monday, April 28, 2025 at 4 a.m.

Project Overview

GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology, and more connections. Across the entire network, our goal is to deliver over 10,000 train trips a week - so you won't need a schedule because you know the next train will be coming soon. GO Expansion will transform the GO rail network from a commuter service into an all-day, rapid system.

What You Need to Know

As part of the Davenport Diamond Grade Separation project, contracted crews will be removing a mechanically stabilized earth (MSE) wall located within the rail corridor. This work will be conducted during a major track closure along the Barrie Line.

WHAT TO EXPECT	PEDESTRIAN DETAILS
<ul style="list-style-type: none">Crews will be removing a mechanically stabilized earth (MSE) wall located within the rail corridor.Residents can expect construction activity, excavation, vibration, noise, and lights. The work will require heavy rail equipment and operating machinery such as cranes, dozers, welders, grinders, hydrovacs, excavators, and dump trucks. These disturbances can be expected anytime during the weekend, including at night. <p>HOURS OF WORK</p> <ul style="list-style-type: none">The track closure will occur from Friday, April 25 at 11 p.m. to Monday, April 28, 2025 at 4 a.m. <p>TRAFFIC DETAILS</p> <ul style="list-style-type: none">Traffic will not be impacted during this work.	<ul style="list-style-type: none">Pedestrian access will be maintained during this work. <p>TRANSIT INFORMATION</p> <ul style="list-style-type: none">No GO train service through the project corridor during the Major Track Closure weekend.Rail replacement buses will operate during the closure.
