What is happening?

To support future construction of the Yonge North Subway Extension, crews working on behalf of Metrolinx and Enbridge Gas will be relocating natural gas utilities along the southbound lanes of Yonge Street between Meadowview Avenue and Crestwood Road. This work will help ensure future major construction activities, including tunnelling and station construction, can move forward smoothly.

About the Yonge North Subway Extension

The Yonge North Subway Extension will transform the commute in York Region, Toronto and beyond by extending the TTC's Line 1 service north from Finch Station to Vaughan, Markham and Richmond Hill.

WHAT TO EXPECT:

- No interruption to natural gas service is expected.
 - Residents and businesses may notice noise and vibration from heavy machinery during working hours.
 - Access to homes and businesses will be maintained.
 - Crews will dig trenches and install new natural gas lines along Yonge Street.
 - Once work is complete, the area will be restored to its previous condition.
 - **Work may be rescheduled or extended due to weather or unforeseen circumstances.**
- Heavy machinery will be used; traffic control personnel, including police officers, will be on-site to guide vehicles and pedestrians safely.
 - Expect minor traffic delays, especially during rush hours.
 - Sidewalk closures will be in place along Yonge Street; pedestrians will be directed to use the opposite sidewalk.

COMMUNITY ENGAGEMENT

- You may have questions or need to get in touch with us as work progresses.
- Metrolinx has a dedicated community engagement team in place that works with residents and businesses across York Region.

TRAFFIC & PEDESTRIAN DETAILS:

- Lane reductions will be in place on Yonge Street between Meadowview Avenue and Crestwood Road.
