

Notice of lane closure at Queen Street East and Victoria Street

Expected start date: As early as April 17, 2025

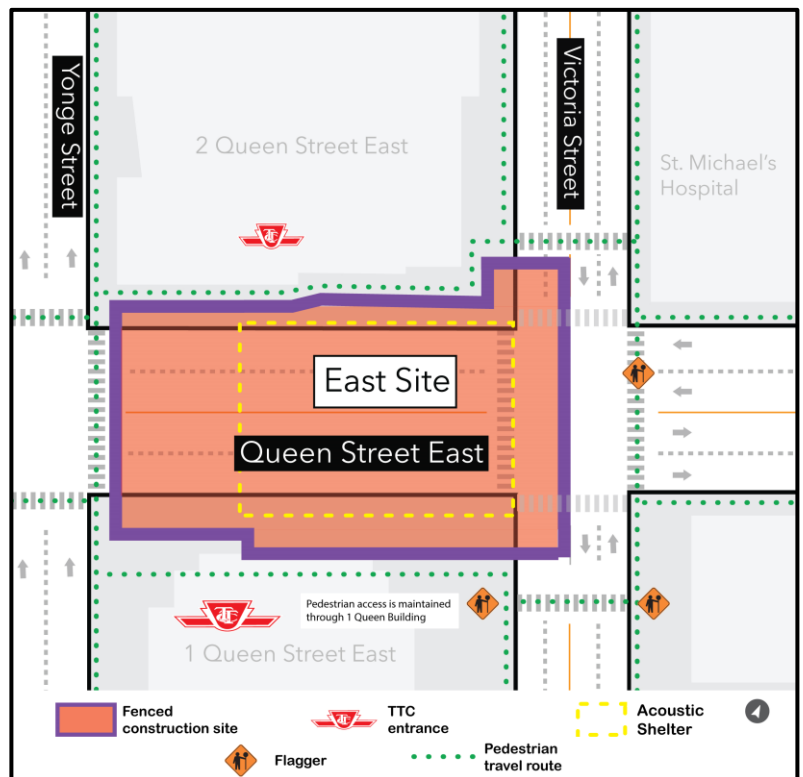

Expected duration: up to 6 weeks

What is happening?

Construction is under way for the Ontario Line station at Queen.

To facilitate installation of a future **acoustic shelter at the east site**, the southbound lanes on Victoria Street must be closed for approximately **six (6) weeks**.

During this work, traffic will be shifted to **one lane in each direction (northbound and southbound) on Victoria Street**, as shown on the map.

What to expect

- Crews are expected to implement this traffic change overnight, **as early as April 17, 2025**. During this work, traffic will be shifted to one lane in each direction (northbound and southbound) on Victoria Street, as shown on the map.
- This traffic change will be in place for approximately six (6) weeks.
- Signage will be in place to direct traffic and pedestrians.
- All necessary construction permits will be in place prior to the commencement of the work.
- Learn more about the measures we take to keep communities safe as we build more transit connections: metrolinx.com/KeepingCommunitiesSafe

Note:

- Work may be delayed, rescheduled, or extended due to weather conditions or unforeseen circumstances.
- Visit metrolinx.com/OntarioLineConstruction for more information on work happening in your community.

About the Ontario Line

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar, and bus lines.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer car trips on the road each day.
