## What Is Happening

To support station improvements at Aurora GO, Metrolinx contractor **Grascan Construction Ltd.** will be conducting various road works to allow for sanitary sewer and water service connections to be made from Berczy Street to the west end of the station. These activities are being conducted as part of the works to construct the underground pedestrian tunnel at Aurora GO Station.

This work will occur during daytime hours between 7 a.m. and 5 p.m. from Monday, May 12 to Friday, May 16, 2025. The work will require that a partial lane closure on Berczy Street (see Figure 1) that will be set up at the start of the work shift each day and removed at the end of the shift. Flagmen will be in place to guide drivers through the work zone while activities are underway.

## WHAT TO EXPECT

- Metrolinx will be conducting sewage and water connection work on Berczy Street.
- Equipment to be used include various trucks, excavators, a float, and hydro vac.
- Nearby residents may experience some noise associated with construction activities and equipment. No significant noise levels are expected to be reached.
- Sound and air monitoring technology will be utilized to ensure that noise levels do not exceed a 65-decibel limit in compliance with Metrolinx's construction noise criteria for residential work.
- Vibration monitors will also be used as needed, depending on the nature of work.

## HOURS OF WORK

- Work will occur during daytime hours between 7AM and 5PM.

## LOCATION OF WORK

- Work will be on Berczy Street, south of Wellington St. East and east of Mosley St.

## PEDESTRIAN DETAILS

- There will be no pedestrian impacts associated with this work.

## TRAFFIC DETAILS

- There will be a single-lane closure associated with this work. The lane closure will only be during shift hours. A traffic management plan will be in place.

## TRANSIT IMPACTS

- This work will not impact GO service at Aurora or along the Barrie line.

## COMMUNITY ENGAGEMENT

- We thank you for your patience and cooperation as we strive to bring you enhancements at Aurora GO station.
- We have a dedicated community relations team in place to work with residents and businesses in the York Region. If you have any questions or concerns about this work, please contact us anytime at **YorkRegion@metrolinx.com**

As with all construction, work may be adjusted, rescheduled or extended due to weather conditions or unforeseen circumstances.

Comme pour toute construction, les travaux peuvent être ajustés, reportés ou prolongés en raison des conditions météorologiques ou de circonstances imprévues.
