

Logan Avenue weekend road closure for bridge demolition

Dates and hours of work:

- The road closures starts Friday, May 9 at 7 p.m. until 5 a.m. on Monday, May 12, 2025
- Daytime and overnight work is required during the road closure
- Bridge abutment construction will begin on Wednesday, May 7, 2025, and continue until July 2025

What is happening?

- Starting on Friday, May 9, at 7 p.m., until Monday, May 12, 2025, at 5 a.m., Logan Avenue will be closed beneath the rail bridge to demolish a section of the bridge.
- Prior to the road closure, traffic lanes on Logan Avenue between Dundas Street East and First Avenue will shift towards the east to accommodate bridge abutment construction.
- Traffic changes on Logan Avenue will be implemented overnight as early as Wednesday May 7, and remain in place until July 2025.
- Overnight work will be required to complete all necessary activities during the road closure period.
- More disruptive work will be scheduled during the day to minimize overnight noise.

Traffic and pedestrian details

Abutment construction

- The bike lanes on the east and west sides of Logan Avenue will be temporarily closed.
- Northbound and southbound cyclists will need to share the road with vehicles while travelling through this area. Share the road signs will be posted to guide drivers and cyclists.
- Drivers are reminded to slow down and allow cyclists to safely merge into the traffic lane. Do not attempt to pass cyclists.

- Northbound and southbound traffic on Logan Avenue will shift to the east side of the street.
- The sidewalk on the west side of Logan Avenue will be closed.
- The sidewalk on the east side of Logan Avenue will be open. Advance signage will be in place to direct pedestrians to cross at the designated crosswalks at Gerrard Street East and Dundas Street East.
- Traffic may be stopped for short durations during lifting operations or to allow for the safe entry/exit of construction equipment.
- One lane of traffic in each direction will be maintained on Logan Avenue throughout the work.
- Traffic staging will be put in place overnight to avoid delays to the travelling public.

Full weekend road closure

- No traffic, pedestrian, or cyclist access will be permitted beneath the Logan Avenue bridge.
- Access for residents and businesses (local traffic) will be maintained south of Gerrard Street East and north of Dundas Street East.
- Signage indicating that Logan Avenue is closed except for local traffic will be posted at Gerrard Street East and Dundas Street East to direct drivers.
- Traffic will be diverted both ways via Dundas Street East, Carlaw Avenue and Gerrard Street East.
- Advance signage will be in place to notify drivers, pedestrians, and cyclists of the closure.
- Paid duty officers will be stationed at each end of the road closure to help drivers, pedestrians, and cyclists navigating the area.

What to expect

- Noise from construction equipment including concrete breakers, jackhammers, saws, drill rigs and hand tools can be expected.
- Construction activities will include demolition, hauling, concrete works and caisson drilling.
- Noise mitigation measures, including temporary noise barriers and noise reducing equipment, will be implemented as required.
- Clear signage will be in place to direct vehicles, pedestrians, and cyclists.
- Traffic barrels, fencing and barriers will be in place to separate and secure work zones.
- Construction equipment and materials will be properly secured within the work zones.
- Traffic markings will be removed and painted on the roadway as required to guide motorists and cyclists.
- Concrete breaking and noisier activities will be scheduled during the day.
- Work may be delayed due to weather conditions or unforeseen circumstances.

About the project

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar and bus lines.
- Approximately 30 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day.
