Land Acknowledgement

METROLINX LAND ACKNOWLEDGEMENT

Metrolinx acknowledges that we connect communities by building and operating transit within the traditional lands of the Anishinaabe, the Haudenosaunee and the Huron-Wendat peoples, for whom these lands continue to have great importance. Treaties between First Nations and governments cover these lands, and the promises contained in these Treaties remain relevant to this day.

Metrolinx and its employees are committed to understanding the history of these lands and the continued impacts of colonization and take responsibility for actions to advance reconciliation.

Metrolinx will continue to seek the knowledge, expertise and experience of Indigenous partners and commits to doing business in a manner that is built on a foundation of trust, respect, and collaboration.

Important Milestones

IMPORTANT MILESTONES

On April 8, 15 light rail vehicles operated along the guideway demonstrating revenue service capacity.

On April 9, the full energization of Finch West Station was achieved.

The Finch West LRT Testing and Commission team held a full-scale emergency services exercise drill on Sunday, April 27, for stakeholders and first responders Fire, Police and Ambulance.

Finch West Station

FINCH WEST STATION

Finch Station Occupancy expected Summer 2025.

Exterior Finch West station main entrance.

Maintenance and Storage Facility and Light Rail Vehicle Testing

MAINTENANCE AND STORAGE FACILITY (MSF)

MSF Occupancy was achieved December 2023.

Light rail vehicle testing and commissioning activities continue at the MSF, along the guideway, at the stops and stations.

Humber College Station

HUMBER COLLEGE STATION

Humber College station
Occupancy achieved
October 2024.

Landscaped pedestrian space
at Humber College station.

Exterior of Humber College station south building.

Keele Street to Signet Drive

KEELE STREET TO SIGNET DRIVE

Remaining works to resume in spring, with minimal impact to traffic.

Pedestrian crossing near Tobermory Drive, view east.

Birds eye view of light rail vehicle testing at Norfinch Arrow stop.

Signet Drive to Milvan Drive

SIGNET DRIVE TO MILVAN DRIVE

- The area is in final configuration with sidewalks and bike lanes in place, except Canadian Pacific Rail bridge area.
- Final paving is complete, except Canadian Pacific Rail bridge area.
- Permanent traffic and transit signals are installed and activated.
- Remaining remediation work is ongoing with minimal impacts on traffic.
- Field modifications may occur to complete work safely and minimize impact on the public.
- Paid Duty Officers, flaggers, and detour signs will be used to direct traffic and improve safety as needed.
- Community members will be notified of any significant construction-related impacts, separately.
