

Update: Geotechnical testing on Riverdale Avenue

Expected start date: As early as May 27, 2025

Expected duration: Up to May 30, 2025

Hours of work: Overnight, Monday to Friday: 9 p.m. – 5 a.m.

What is happening?

- To enable future construction activities for the Ontario Line project, crews will be conducting geotechnical investigations at the intersection of Pape Ave. and Riverdale Ave.
- To support the design and construction of the Ontario Line, crews will be testing groundwater levels and soil/ rock testing.

What to expect

- Work will take place overnight, from 9 p.m. to 5 a.m.
- The eastbound lane on Riverdale Ave. and four on-street parking spaces, between the laneway (Lane East Pape South Riverdale) and Pape Ave., will be closed. Parking spaces will be blocked and no parking signs posted for the duration of the borehole investigation.

- Traffic will be maintained by traffic control personnel. Access to laneways, residential and commercial driveways will be maintained.
- Equipment used will include trucks, water hauling trucks, a small generator and an electric pump.
- Nearby residents and businesses can expect minimal noise caused by trucks and equipment.
- Signage and safety barriers will be in place to delineate work zones.
- Mobile lights may be used to illuminate the site and ensure safe working conditions.
- The site will be supervised throughout the work.
- TTC bus service will be maintained throughout the work.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances.

We will continue to assess impacts and provide neighbourhood notices in advance of any work to keep you up to date and informed. For more information about upcoming work, please see metrolinx.com/ontarioline or sign up for the e-newsletter.

About the Project

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar and bus lines.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day.
