

Phase 3: Pavement work on Eglinton Avenue West, west of Scarlett Road

Scheduled start: Late May 2025

Expected completion: Early June 2025

Construction hours: 5:30 a.m. to 5:00 p.m.

Map of work area (Phase 3) - West of the Richview Driveway:

**East of the
Richview
Driveway:**

What is happening?

- WestEnd Connectors Construction, working on behalf of Metrolinx, will begin the third phase of removing and replacing pavement along Eglinton Avenue West, west of the Scarlett Road intersection.
- This work is required to restore the area following construction.

Traffic and pedestrian impacts

- Temporary lane closures will be required.
- Two westbound lanes and one eastbound lane will be closed, west of the intersection.

What to expect

- For paving activities, nearby residents can expect to hear noise from equipment, such as excavators, asphalt saws, asphalt grinders, paving machines and trucks.
- Traffic signage will be provided during construction.
- Weekend or overnight work may be required. Residents will be provided with updates as they are available.
- The information provided is anticipated based on the current construction schedule and/or weather conditions and is subject to change.
- Remember to reduce your speed when approaching work zones and watch for slow-moving vehicles entering and exiting work areas.

About the project

- The Eglinton Crosstown West Extension will bring even more rapid transit to Etobicoke and Mississauga, making it easier for people to get where they need to be each day.
- The extension of Line 5 Eglinton will run 9.2 kilometres from the Mount Dennis station to Renforth Drive and will operate mainly underground. Once complete, it will create a continuous rapid transit line that stretches from Scarborough, through midtown Toronto, and into Mississauga.
