Map Description: Between Kipling Avenue to Milady Road along Finch Avenue West. Remedial works for curb, sidewalk, milling, road, utilities, landscaping, and paving. Works started January 1, 2025, and will last until December 31, 2025, approximately. Traffic staging may not occur simultaneously, but in stages, at different times.

## What You Need to Know

As part of the Finch West Light Rail Transit (LRT) Project, crews will continue to do remedial works for curb, sidewalk, milling, road, utilities, landscaping, and paving between Kipling Avenue to Milady Road along Finch Avenue West. Works started January 1, 2025, and will last until December 31, 2025, approximately.

Lane closures between intersections may not occur simultaneously, but in stages, at different times. Consideration will be given to minimize traffic impacts to motorists.

Minor field modifications may occur when needed to complete work safely and minimize impact on the public.

Please take extra care when navigating near work sites, and always make eye contact with the driver before crossing in front of any equipment or vehicle

Noise and vibration will be monitored when required during these activities.

Work may be rescheduled due to weather conditions or unforeseen circumstances.

Notice will be updated as required to reflect any significant traffic staging.

## Project Overview

Metrolinx is building a new 11 KM LRT line which will run along Finch Avenue West from Keele Street to Highway 27, where it will turn, then travel south to the Humber College North Campus. The line will feature 18 stops and will bring more transit connections and faster service to Northwest Toronto.

WHAT TO EXPECT

- Heavy trucks and equipment in the area.
- Due to the nature of the work, at times there will be dust, noise and vibration associated with this work.
- Nearby businesses and residents can expect noise from excavators, bobcats, vacuum trucks, and other construction equipment caused by road work activities.
- Expect delays near work zones.
- A minimum of one lane of traffic in each direction along Finch Avenue West will be always maintained.
- There will be a paid duty officer, flaggers and detour signs to direct traffic as needed.

HOURS OF WORK

- Work will primarily occur Monday to Friday from 7 am to 5 pm.
- There may be overnight and/or weekend work, if required.
- Signs will be installed to keep residents informed about the closure.
- Dates are tentative and may change. Please visit us at [www.metrolinx.com/finchwest](http://www.metrolinx.com/finchwest) for up-to-date information.
- Inclement weather or unforeseen circumstances may delay work activities.

TRAFFIC DETAILS

- Road and sidewalk restrictions are in place within the construction area to protect workers and the public.
- Traffic staging may not occur simultaneously, but in stages, at different times.

PEDESTRIAN DETAILS

- Please take care when walking near work sites. Always make eye contact with the driver before crossing in front of any equipment or vehicle.
- Pedestrians will be re-routed safely around the construction area when possible.
- For safety reasons pedestrians may be diverted to the sidewalk on the opposite side.

TRANSIT INFORMATION

- TTC bus stops will be closed or relocated away from work zones as needed. If TTC bus stops are relocated, appropriate signage will be installed.
