WHAT IS HAPPENING

Metrolinx is doing major rehabilitation of the Etobicoke Creek Railway Bridge just west of Long Branch GO Station. The steel spans are being replaced, and the bridge supports are being rehabilitated. To support the work, two tracks adjacent to businesses along Fima Crescent will be **used as an equipment laydown area and for building track panels** from end of August 2025 to end of January 2026.

WHAT TO EXPECT

- Delivery of equipment and materials from Fima Crescent
- Work on track to build track panels
- Most of the work will take place during the day
- This is a time-and-safety sensitive project. Our teams always work hard to minimize community impacts.

HOURS OF WORK

- Work will take place from 7:00 AM to 5:00 PM
- Some work will take place at night leading up to the major track closures
- During major track closures, crews will work 24/7 to complete as much work as possible while trains are not running
- The steel spans will be replaced over 7 major track closures, starting in September

TRANSIT INFORMATION

The Lakeshore West trains will not be running on the following major track closure dates:

- Sept 12-15, 2025
- Sept 26-29, 2025
- Oct 3-6, 2025

- Oct 24-27, 2025
- Nov 28 - Dec 1, 2025
- Dec 5-8, 2025
- Dec 19-22, 2025

TRAFFIC DETAILS

- There will be large machinery and equipment entering the site from Fima Crescent
- Motorists should reduce speed, stay alert, and watch for workers and equipment.

PEDESTRIAN DETAILS

- There will be large machinery and equipment entering the site from Fima Crescent
- Pedestrians should stay alert, and follow posted signs, detours, and designated walkways

COMMUNITY ENGAGEMENT

- Metrolinx has a dedicated community engagement team in place that works with residents and businesses in the Toronto West area
- If you have any questions, please contact us using the information provided below
