

Barrie GO Line: Signals Work

Friday, September 5 – Monday, September 8, 2025

**Dates subject to change as a result of unforeseen circumstances or inclement weather.*

What is Happening

As part of works along the Barrie GO Line, Metrolinx crews will be performing signals construction work between Eglington Avenue West and Castlefield Avenue. Crews will be conducting signal bungalow relocation, power upgrades, cable routing and cable installations. Work will take place continuously during both daytime and nighttime hours.

There will be **no GO train service** from Friday, September 5 at 11:59 p.m., to Monday September 8 at 4:00 a.m. GO buses will replace trains at all stations except Downsview Park GO and Union Station.

Project Overview

GO service is expanding to serve you better – with more frequent service, more stations, cleaner technology, and more connections. Our goal is to deliver more than 10,000 train

trips a week across the entire network. You won't need a schedule because you know the next train will be coming soon. GO Expansion will transform the GO rail network from a commuter service into a two-way, all-day rapid transit network.

WHAT TO EXPECT

- Key work activities include signal bungalow relocation, cable routing, cable excavation and installation, and commissioning the relocated assets.
- Crews will be using heavy machinery such as vacuum trucks, dump trucks, and other construction equipment to complete the work. This may lead to the occurrence of noise, vibrations, dust, and site lighting.
- Crews will take all reasonable measures to minimize disturbances to residents and businesses.

HOURS OF WORK

- The work will be continuous daytime and nighttime, from Friday, September 5 at 11:59 p.m., to Monday, September 8 at 4:00 a.m.

LOCATION OF WORK

- Work will occur within the rail corridor, between Eglinton Avenue West and Castlefield Avenue.

PEDESTRIAN AND TRAFFIC DETAILS

- There will be no impact to pedestrian and vehicle movement.

TRANSIT INFORMATION

- There will be no GO Train service during this work period. GO Buses will replace trains at all stations, except Downsview and Union.

COMMUNITY ENGAGEMENT

- Metrolinx has dedicated community engagement teams available to connect with residents and businesses.
- If you have any questions, please see the contact information for the Toronto West Community Engagement team.
