

Sunday Electrical Installations on Premium Way, Harborn Road, North Service Road and Hurontario Street Sundays in September and October, 2025

What work is taking place?

Crews will be installing overhead and underground electrical cables near a small stretch of Premium Way, Harborn Road, and North Service Road as part of work to improve local electrical infrastructure. This work includes conductor stringing and underground cable pulling and is scheduled to take place on Sundays throughout September and October 2025. Work hours will be from **7:00 a.m. to 4:00 p.m.**

In accordance with City of Mississauga Noise By-Law Exemption requirements, this notice is meant to advise that residents near the work site can expect to hear noise and vibration caused by trucks, excavators, backhoes, and other construction equipment related to this work.

Please note, work may be rescheduled due to weather or unforeseen circumstances. If you require the most up-to-date information, please reach out to peel@metrolinx.com
