

UPDATE: Temporary Turning Restrictions at Dundas Street and Hurontario Street Telecom Installations

September-October

What You Need to Know

Crews continue to construct telecom infrastructure at the southeast section of Hurontario Street and Dundas Street in September and October. This will result in temporary lane restrictions and turning restrictions at the intersection. Please follow detour signage in the area.

The driveway next to 14 Dundas Street East will also be closed during this duration. Access to all the properties will be maintained.

Watch for additional signs directing passengers at bus stops as boarding areas may be relocated. Please visit www.miway.ca/updates for updates on your bus route.

Please note, work may be rescheduled due to weather or unforeseen circumstances. Please see roadway signage for the latest information. If you require the most up-to-date information, contact us and our team will provide you with e-updates of this work.

TIMING

- Telecommunications infrastructure is continuing at Dundas Street and Hurontario Street until October
- Work may be rescheduled and delayed due to weather conditions or unforeseen circumstances.

TRAFFIC DETAILS

- Left turns for motorists onto Hurontario Street from Dundas Street will not be permitted.
- Right turns for motorists from Hurontario onto Dundas Street will not be permitted on a red traffic signal.
- Traffic delays are expected.
- Watch for slow moving vehicles entering and exiting work areas.
- Remember to reduce your speed when approaching lane reductions.

WHAT TO EXPECT?

- Every effort will be made to minimize disruptions.
- Residents and businesses near the work site can expect to hear noise and vibration caused by trucks, excavators, loaders, tri-axles, backhoes, and other construction equipment related to this work.

TRANSIT DETAILS

- Visit [MiWay.ca](https://www.miway.ca) for updates on your bus route.
- Watch for additional signs directing passengers at bus stops as boarding areas may be relocated.

PEDESTRIAN DETAILS

- Please take care when travelling near construction areas.
- Sidewalk access may be closed for short durations.
- Watch for additional signs directing pedestrians.
- Clear and defined walking paths will be maintained during construction to ensure pedestrian safety.

PROPERTY DETAILS

- Crews will not require property access for this work.
