

Extended Trail Closure, Night Work: Etobicoke Bridge Replacement Project

September – Late October 2025

*Dates are subject to change due to inclement weather or other unforeseen circumstance.

WHAT IS HAPPENING

Metrolinx is carrying out major rehabilitation work on the Etobicoke Creek Railway Bridge, just west of Long Branch GO Station. This work is critical to maintaining safe and reliable service on the Lakeshore West Line.

The Etobicoke Creek Trail under the bridge will be closed from Sept 26 until the end of October. The closure is necessary to allow crews to safely accelerate work on all three bridge substructures at once. Due to earlier flooding and unexpected site conditions, more crews and equipment are now required in the area, leading to increased activity and movement. Closing the trail ensures both public safety and that critical bridge work stays on track. Should an extension be required, an update will be issued by the end of October.

There will be daytime and overnight work 24 hours a day on the following upcoming weekends: Sept 26-29, Oct 3-6 and Oct 24-27.

WHAT TO EXPECT

- The Etobicoke Creek Trail under the bridge in Maurice J. Breen Park will be closed from Sept 26 to end of October.
- The trail must be closed for public safety while crews complete rehabilitation work on the bridge.
- Residents should expect some noise, vibration, dust, and site lighting.
- Crews will take reasonable precautions to minimize disturbances to residents including but not limited to the following:
 - Reduced idling of non-essential equipment
 - Pointing lights away from residential windows

HOURS OF WORK

- Regular hours of work are 7:00a.m-5:00p.m.
- September 26-29, 24 hours a day
- October 3-6, 24 hours a day
- October 24-27, 24 hours a day

LOCATION OF WORK

- Etobicoke Creek Bridge north of Maurice J. Breen Park.

TRAFFIC DETAILS

- Increased vehicular traffic is expected at Lakeshore Boulevard, 43rd Street and 36 Towns Road during this time.

PEDESTRIAN DETAILS

- There will be no access under the bridge during the closure.
- Access to the trail will still be available via Enfield Park to Enfield Ave.
- Signage will be posted at each entrance to the area.

COMMUNITY ENGAGEMENT

- Metrolinx has a dedicated community engagement team in place that works with residents and businesses in the Toronto West area.
- If you have any questions, please contact us using the information provided below
