### What Is Happening

As part of construction work along the Barrie GO Line, Metrolinx will be conducting several work activities in the months of October and November. All work will occur within the Metrolinx rail corridor.

## Track Realignment

Crews will be performing preparatory work for a track realignment from **Tuesday October 14 to Friday November 14, Monday to Friday**. This work will occur overnight, from **10:00pm - 5:30am**.

From **Friday October 31 at 10:00pm to Monday November 3 at 4:45am**, crews will be working continuously, daytime and nighttime, to perform the track realignment. One track will remain in service for GO trains.

From **Monday November 3 to Friday November 14**, crews will be conducting welding and destressing works and installing temporary concrete barriers to establish a separate work zone from the rail corridor. This work will take place at nighttime, **Monday to Friday**, from **10:00 pm to 5:00 am**.

---

### WHAT TO EXPECT

- Key work activities include excavation, installation, backfilling of concrete structures, and track restoration.
- Crews will be using heavy machinery such as excavators, vacuum trucks, dump trucks, water trucks, and other construction equipment to complete the work. This may lead to the occurrence of noise, vibrations, dust, and site lighting.
- Crews will take all reasonable measures to minimize disturbances to residents and businesses.

### HOURS OF WORK

- Nighttime hours: 10:00pm to 5:30am.
- Work will occur during weekdays.
- Weekend work: and Friday October 31 to Monday November 3.

### LOCATION OF WORK

Information as of: September 25, 2025
