

Partial lane closures to support underground utility investigations near the Lakeshore East rail line and Granite Court

October 20, 2025 to October 27, 2025, approximately.
Monday to Friday, 8:00 a.m. to 5:00 p.m.

This map is for illustrative purposes only. Work areas are approximate.

Project Overview

GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology, and more connections. Across the entire network, our goal is to deliver over 10,000 train trips a week - so you won't need a schedule because you know the next train will be coming soon. GO Expansion will transform the GO rail network from a commuter service into an all-day, rapid system.

What is happening?

As part of investigative work for the GO Expansion program, we will be locating underground infrastructure and utilities using scanning equipment to assess ground conditions near the Lakeshore East rail line and Granite Court. This work will support future track and infrastructure updates.

HOURS OF WORK

- Work is scheduled to take place beginning October 20, 2025, during daytime hours, from 8 a.m. to 5 p.m. in the areas shown on the map for approximately one week.

WHAT TO EXPECT

- Residents may notice crews working in the area and temporary lane adjustments; however, noise impacts are expected to be minimal.
- Staff will take reasonable precautions to minimize disturbances to residents, including but not limited to the following:
 - Reduced idling of non-essential equipment.
 - The work area will be safely secured.
- Work may take place within or outside of the rail corridor.
- Work may be rescheduled due to inclement weather or unforeseen circumstances.
- We apologize for any inconvenience and ask for your patience as we complete this critical work.

DESCRIPTION OF WORK

Field staff will determine the position of subsurface utilities using hand tools, scanning equipment and geophysical instruments.

PEDESTRIAN, TRAFFIC AND TRANSIT DETAILS

- To complete this work safely, partial lane adjustments will be in place near the areas of work shown on the map.
- Traffic control personnel will direct vehicles through the area to support continued movement in both directions.
- Signage will clearly delineate active work zones.
- No impacts to pedestrian routes or public transit are anticipated.
- Please proceed with caution near work areas.

COMMUNITY ENGAGEMENT

- Metrolinx has a dedicated community engagement team in place that works with residents and businesses in the area.
- If you have any questions, please contact us using the information provided below.
