

Evening work at Dundas and Logan bridges

Start date and duration: As early as Tuesday, October 14, 2025 until late December 2025

Hours of work: Weekdays during the evening between 3 p.m. and midnight

What is happening?

- Bridge reconstruction work is ongoing at Logan Avenue and Dundas Street East.
- Bridge work is expected to take place during the daytime, Monday to Friday between 7 a.m. – 7 p.m.
- Starting as early as Tuesday, October 14, 2025, an evening shift will be added to perform formwork and rebar installations. Work is expected to take place between 3 p.m. and midnight.
- Work at the bridges will continue until late December 2025.

What to expect

- Rebar and formwork will be installed to prepare for the concrete pours to create the abutments at the Logan and Dundas bridges.
- Concrete is poured around the rebar for additional structural strength. Forms are solid molds that provide the shape of the structure. They are usually made of wood or metal.
- Construction vehicles will enter and exit the site from the access roads at Dundas Street and Logan Avenue.
- Noise from construction equipment including trucks, loaders, hammers, saws and hand tools can be expected.
- Noise mitigation measures, including temporary noise barriers and noise reducing equipment, will be used as required.
- Clear signage will be in place to direct vehicles, pedestrians and cyclists.
- Traffic barrels, fencing and barriers will be in place to separate and secure work zones.
- Construction equipment and materials will be properly secured within the work zones.
- Work may be delayed due to weather conditions or unforeseen circumstances.
