 - Project Overview
 - Project Timeline
 - Work Progress
 - What To Expect Next
- Bloor TTC Connection
 - Project Overview
 - Project Timeline
 - Work Progress
 - What To Expect Next
- Committee Discussion
- Community Engagement

LAND ACKNOWLEDGEMENT

Metrolinx acknowledges that we connect communities by building and operating transit within the traditional lands of the Anishinaabe, the Haudenosaunee and the Wendat peoples, for whom these lands continue to have great importance.

Treaties between First Nations and governments cover these lands, and the promises contained in these Treaties remain relevant to this day.

Metrolinx and its employees are committed to understanding the history of these lands and the continued impacts of colonization and take responsibility for actions to advance reconciliation.

Metrolinx will continue to seek the knowledge, expertise and experience of Indigenous partners and commits to doing business in a manner that is built on a foundation of trust, respect and collaboration.

Safety Moment

GO Expansion Overview

The GO Expansion program will provide a range of improvements across the GTHA:

More all-day service

Service in both directions

Capacity for trains every 15 minutes or better

Faster and more efficient fleet

More accessible stations

An expanded Union Station

Over 10,000 weekly trips from 3500 weekly trips in 2019

New trains will reach speeds of 140km/h between stations, making the GO Train faster than taking a car in virtually every instance

Improvements to stations access and boarding and alighting

Capacity for train and passenger movements for the rest of the century

Kitchener Fourth Track Project Update

PROJECT TIMELINE

This timeline may be subject to change due to weather or unforeseen circumstances

COMPLETE

Randolph Street Pavilion

- Roofing and parapet wall construction
- Curtain wall framing and glass installation
