What Is Happening

To support rail corridor enhancements at and around Maple GO, Metrolinx will be relocating a platform shelter at the station over the course of several days.

- **Sunday, October 19 and/or Monday, October 20, 2025:**
 - o Workers at the site will be relocating a platform shelter at the station.
 - o This work will occur overnight from 11:30 p.m. until 5:30 a.m. on one or both dates indicated.
- **October 20-24, 2025:**
 - o Platform shelter glazing will be installed during the day from 7:00 a.m. until 5:00 p.m.
 - o Shelter pad removal will occur at night from 11:30 p.m. until 5:30 a.m.

We understand that overnight work is not ideal. Metrolinx will implement mitigations wherever possible to reduce the impact of the activities on residents in the area. We appreciate your patience and understanding as we work to bring better and faster service to the Barrie line.

WHAT TO EXPECT

- Day and night works to relocate a platform shelter at Maple GO Station.
- Equipment to be used include a boom truck, front-end loader and an excavator.
- Nearby residents may experience some noise associated with these activities.
- Sound and air monitoring technology will be utilized to ensure that noise levels do not exceed an average limit of 65-decibels over an 8 to 16-hour work period, in compliance with Metrolinx's construction noise criteria for residential work.
- Vibration monitors will be used to ensure vibration remains below acceptable levels.
- Lights will be pointed towards the track to minimize any light pollution to the area.

HOURS OF WORK

- Nighttime works will occur from 11:30 p.m. to 5:30 a.m.
- Daytime works will occur from 7:00 a.m. to 5:00 p.m.

LOCATION OF WORK
