Land Acknowledgement

LAND ACKNOWLEDGEMENT

Metrolinx acknowledges that we connect communities by building and operating transit within the traditional lands of the Anishinaabe, the Haudenosaunee and the Wendat peoples, for whom these lands continue to have great importance.

Treaties between First Nations and governments cover these lands, and the promises contained in these Treaties remain relevant to this day.

Metrolinx and its employees are committed to understanding the history of these lands and the continued impacts of colonization and take responsibility for actions to advance reconciliation.

Metrolinx will continue to seek the knowledge, expertise and experience of Indigenous partners and commits to doing business in a manner that is built on a foundation of trust, respect, and collaboration.

Finch West Station

FINCH WEST STATION

Finch West Station received its Occupancy Permit at the end of August 2025.

Finch West LRT pedestrian portal from Finch West Subway station.

Maintenance and Storage Facility and Light Rail Vehicle Testing

TESTING AND COMMISSIONING

Revenue service demonstration began on September 20 and continues into October. Testing is ongoing with 15 light rail vehicles (LRVs) operating along the line, including stops at platforms and stations. It is important to remain alert and be careful due to the increase in LRV traffic.

Humber College Station

HUMBER COLLEGE STATION

Covered pedestrian walkway between Humber College station and Humber Polytechnic.

Humber College station north building entrance. Humber College station Occupancy was achieved October 2024.

Finch Avenue West
Keele Street to Humber College Boulevard

KEELE STREET TO HUMBER COLLEGE BOULEVARD

- The area is in final configuration with sidewalks and bike lanes in place, except Canadian Pacific Rail bridge area.
- Final paving is complete, except Canadian Pacific Rail bridge area.
- Permanent traffic and transit signals are installed and activated.
- Remaining remediation work is ongoing with minimal impacts on traffic.
- Field modifications may occur to complete work safely and minimize impact on the public.
- Paid Duty Officers, flaggers, and detour signs will be used to direct traffic and improve safety as needed.
- Community members will be notified of any significant construction-related impacts, separately.
