

Sidewalk Works on Eglinton Avenue East and Mount Pleasant Road

As early as Monday, October 27, 2025

Project Overview

Metrolinx's Eglinton Crosstown LRT will be a new 19-kilometre light rail transit line in midtown Toronto. With 25 stations and stops along the dedicated route, getting across town will be up to 60% faster than before. The Crosstown will link to 54 bus routes, three TTC subway stations and GO lines, providing important transit connections to get people to where they need to go faster than ever before.

What You Need to Know

As early as Monday, October 27, 2025, crews will be performing sidewalk works on the south side of Eglinton Avenue East, east of Mount Pleasant Road. To facilitate this work safely, pedestrians will be rerouted around the construction zone. Access to all properties will be always maintained. This work is expected to take place on Monday to Friday, between 7:00 a.m. and 5:00 p.m. Sidewalk work taking place includes the installation of a decorative pole.

Upon completion of this work, periodic short-term lane reductions may be required on Eglinton Avenue East to facilitate special activities.

WHAT TO EXPECT

- Concrete barriers, fencing, and signage will be in place to delineate the work zones.
- Noise from construction activities can be expected.
- One lane of traffic in each direction will be always maintained.
- Expect delays while traveling through the area.
