Project Overview

GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology, and more connections. Across the entire network, our goal is to deliver over 10,000 train trips a week - so you won't need a schedule because you know the next train will be coming soon. GO Expansion will transform the GO rail network from a commuter service into an all-day, rapid rail system.

What is happening?

As part of investigative work for the GO Expansion project, crews will be drilling boreholes and performing utility locates overnight within the Lakeshore West rail corridor. This work will support future track and infrastructure updates.

HOURS OF WORK

- **Utility Locates:** Overnight work from November 3 to 4, 2025, between 11:00 p.m. and 6:00 a.m.
- **Borehole Drilling:** Daytime work from November 10 to 12, 2025 between 7:00 a.m. and 5:00 p.m.
- **Contingency Dates for Borehole Drilling:** November 17 to 19, 2025 (if required) If you have any questions, please contact us using the information provided below.

WHAT TO EXPECT

- Locates work will take place at night using hand tools only and is not expected to create noise or impact nearby properties.
- During the day, residents can expect some noise, vibration, dust, and site lighting near the rail corridor.
- Work will take place within the rail corridor.
- Work may be rescheduled due to inclement weather or unforeseen circumstances.
- Staff will take reasonable precautions to minimize disturbances to residents and commuters
- We apologize for any inconvenience and ask for your patience as we complete this critical work.
