

Nightly road closures on Dundas Street East for traffic reconfiguration

Dates and hours of work:

- From Tuesday November 4 to Thursday, November 6, 2025
- Road closures occur nightly between 10 p.m. and 6 a.m.

Nightly road closures:
Nov 4. to Nov. 6

Traffic stage after closure:
Starting Nov. 7

What is happening?

- Dundas Street East will be closed nightly from Tuesday November 4 to Thursday, November 6, 2025, between 10 p.m. and 6 a.m.
- These road closures are required to implement traffic and pedestrian changes that are needed to build the new Dundas bridge.
- Due to space constraints, this work can only be done safely when the road is closed.
- The closure will start at West Avenue and end at Logan Avenue. Access for residents and businesses will be maintained.
- Overnight work will be required during the road closure to make sure all activities are completed in time for the road to reopen in the morning.
- More disruptive work will be scheduled during the day to minimize overnight noise.
- After the road closures are completed, a new traffic stage will be in place. This traffic stage will allow crews to build the centre piers for the new bridge.

Traffic and pedestrian details

Nightly road closures (from Nov. 4 - Nov 6, between 10 p.m. and 6 a.m.)

- No traffic, pedestrians or cyclists will be allowed beneath the Dundas Street East bridge.
- Access for residents and businesses (local traffic) will be maintained east of Broadview Avenue and west of Logan Avenue.
- Road closure signage will be posted at Broadview Avenue and Logan Avenue to direct drivers.
- Traffic will be diverted both ways via Broadview Avenue, Queen Street East, Logan Avenue and Carlaw Avenue.
- Cyclists will be diverted both ways via Boulton Avenue, De Grassi Street, First Avenue, Gerrard Street East and Logan Avenue.
- Advance signage will be in place to notify drivers, pedestrians and cyclists of the closure.
- Paid duty officers will be stationed at each end of the road closure to help drivers, pedestrians and cyclists navigate the area.

Centre pier construction (starting Nov. 7)

- Traffic on Dundas Street will be diverted to the sides of the road. A construction zone will be installed in the middle of the road.
- The sidewalk on the north side of Dundas Street will be closed and the sidewalk on the south side of Dundas Street will be open.
- Advance signage will be posted to direct pedestrians.
- The bike lanes on Dundas Street will remain closed.
- Cyclists will need to share the road with vehicles while travelling through this area. Share the road signs will be posted to guide drivers and cyclists.
- Drivers are reminded to slow down and allow cyclists to safely merge into the traffic lane. Do not attempt to pass cyclists.
- Traffic may be stopped for short durations during lifting operations or to allow for the safe entry/exit of construction equipment.
- One lane of traffic in each direction will be maintained on Dundas Street East throughout the work.
- These traffic changes will be put in place overnight to avoid delays to the travelling public.

What to expect

- Nightly closures of Dundas Street between West Avenue and Logan Avenue.
- Noise from construction activities including equipment relocations, traffic barrier placement, installing pedestrian covered ways, and traffic line painting and removal.
- Noise mitigation measures, including temporary noise barriers and noise reducing equipment, will be used as required.
- Construction vehicles will enter/exit the site from the access road off Dundas Street.
- Clear signage will be in place to direct vehicles, pedestrians and cyclists.
- Traffic barrels, fencing and barriers will be in place to separate and secure work zones.
- Construction equipment and materials will be properly secured within the work zones.
- Work may be delayed due to weather conditions or unforeseen circumstances.
