

24/7 Works near northwest ramp of Hwy.403 at Hurontario Street

November 3 to December 1, 2025

What work is taking place?

Crews continue to build the elevated guideway for the Hazel McCallion Line over Hwy. 403. As part of these works, crews will be backfilling material near the northwest ramp of Hwy. 403 at Hurontario. The work will begin approximately on November 3rd and continue until December 1st, 2025.

This notice is meant to advise that residents near the work site can expect to hear noise caused by trucks, excavators and other construction equipment related to this work.

Please note, work may be rescheduled due to weather or unforeseen circumstances. If you require the most up-to-date information, please reach out to peel@metrolinx.com.

TIMING

- The work is being scheduled 24/7 including weekends from November 3rd until December 1st, 2025.
- Work could be rescheduled and delayed due to weather conditions or unforeseen circumstances.

TRAFFIC DETAILS

- Watch for slow moving vehicles entering and exiting work areas.
- Remember to reduce your speed when approaching work sites.

WHAT TO EXPECT

- Every effort will be made to minimize disruptions.
- Residents and businesses near the work site can expect to hear noise caused by trucks, excavators, backhoes, and other construction equipment related to this work.

PEDESTRIAN DETAILS

- Please take care when walking or cycling near construction areas and watch for additional signs directing the public such as detours and dismounting.
- Clear and defined walking paths will be maintained during construction to ensure pedestrian safety.
