

Yonge Street Road Closure - Bridge Investigations

November 10 to December 5, 2025 (timeline subject to change)

What is happening?

From November 10th, 2025, to December 5th, 2025, bridge investigations will be underway on Yonge Street below the rail bridge located north of Lake Shore Boulevard West, and south of Front St. Nightly intermittent road and sidewalk closures will be in effect while the work is ongoing. One lane in each direction and one sidewalk will be maintained during work hours.

These investigations include the use of a scissor lift to inspect the bridge above, and the intermittent closure of sidewalks and road to complete sampling of the bridge columns and bridge deck.

Project Overview

Metrolinx is upgrading Union Station to support the creation of a network that has the capacity to deliver two-way, all-day service every 15 minutes or better along core segments of the GO rail network. This includes improved GO train platforms with canopies, more stair and elevator access platforms, and a continuous concourse between Bay and York Streets.

WHAT TO EXPECT

- Nightly intermittent road and sidewalk closures on Yonge Street.
- Vehicles including a scissor lift.
- Construction impacts including coring and chipping concrete.

HOURS OF WORK

- 8:00PM – 5:00AM between November 10th – December 5th, 2025

LOCATION OF WORK

- Yonge Street below the rail corridor north of Lake Shore Boulevard West and south of Front Street.

PEDESTRIAN DETAILS

- Alternating closures of the west and east sidewalks will be in effect during overnight working hours.

TRAFFIC DETAILS

- Intermittent lane closures on Yonge Street below the rail corridor north of Lake Shore Boulevard West and south of Front Street.

COMMUNITY ENGAGEMENT

- Metrolinx has a dedicated community engagement team in place that works with residents and businesses in the Toronto West area.
