Maps of work areas

What is happening?

- Crews on behalf of Metrolinx will be relining the sewers along Eglinton Avenue West, Weston Road and Guestville Avenue. This work is done to rehabilitate and protect sewer lines during tunnelling under Eglinton Avenue West.
- These upgrades will strengthen the local infrastructure and ensure continued reliable service for residents and businesses.

This work involves:

- relining the existing sewer
- excavating small trenches to install a temporary sewer bypass
- backfilling and restoring all impacted areas upon completion

Hours of work

- Work is scheduled to occur from mid-November to late-December 2025, between the hours of 7:00 p.m. and 7:00 a.m. on weekdays.
- Construction activities are expected to take approximately six weeks.
- Work hours may be extended to complete the work safely and efficiently.
- The information provided in this notice is anticipated based on the current construction schedule and is subject to change.
- Work may be delayed due to weather or unforeseen circumstances.

What to expect

- Construction activities will occur in two stages, with lane reductions and partial road closures as needed.
- The sequence of the stages may change depending on permit approvals and site conditions.
- Lane reductions and closures for **stage 1** (up to four weeks) of this work include:
 - One eastbound temporary lane reduction on Eglinton Avenue West (east of Pearen Street to Weston Road).
 - One southbound temporary lane reduction on Weston Road (north of York Street).
 - This stage of construction will require a partial road closure on Guestville Avenue up to seven nights, Glenvalley Avenue up to four nights, and Pearen Street up to four nights. Local traffic, pedestrian and cyclist access will be maintained.
 - Full road closures for this stage include:
 - Guestville Avenue between Eglinton Avenue West to Syndicate Avenue up to two nights. A detour route will be provided via Astoria Avenue, North York Avenue and Dennis Avenue all redirected to Weston Road.
 - Lane W Weston N Eglinton between Weston Road and Pearen Street of up to three nights.
- Access to all driveways and entrances will be maintained.
- Detours will be clearly marked with signage. Flaggers will be deployed as needed to keep vehicles, cyclists and pedestrians moving safely as required.
- Construction activities may cause traffic delays. Please plan accordingly and consider alternative routes.
- Lane reductions for **stage 2** (up to two weeks) of this work include:
 - One northbound and one southbound temporary lane reductions on Weston Road near Eglinton Avenue West.
