What Is Happening

As part of construction work along the Barrie GO Line, Metrolinx will be conducting several work activities in the months of November and December. All work will occur within the Metrolinx rail corridor. This notice replaces a previous notice that indicated the tunnel installation would occur from October 31 to November 2.

Pedestrian Tunnel Installation

Crews will be installing a pedestrian tunnel from **Friday November 28 at 10:00pm to Monday December 1 at 4:45am**. This work will be continuous, daytime and nighttime, for the entire duration of work. One track will remain in service for GO trains.

WHAT TO EXPECT

- Key work activities include excavation, installation, backfilling of concrete structures, and track restoration.
- Crews will be using heavy machinery such as excavators, vacuum trucks, dump trucks, water trucks, and other construction equipment to complete the work. This may lead to the occurrence of noise, vibrations, dust, and site lighting.
- Crews will take all reasonable measures to minimize disturbances to residents and businesses.

HOURS OF WORK

- Nighttime hours: 10:00pm to 5:30am.
- Weekend work: Friday October 17 to Monday October 20, and Friday November 28 to Monday December 1.

LOCATION OF WORK

- All work will take place within the Metrolinx rail corridor.

PEDESTRIAN AND TRAFFIC DETAILS

- Pedestrian access will be maintained to local properties unless otherwise notified.
- Please continue to exercise caution around active construction sites.

TRANSIT INFORMATION

- Train service along the Barrie line will be paused for the duration of this weekend work block.
