

Track Panel Replacement

Friday, December 12 to Monday, December 15

Figure 1: Map showing the approximate location of the work at Royal York. Not to scale. For illustrative purposes only.

WHAT IS HAPPENING

Panel replacement work is scheduled to begin at 10:00 p.m. on December 12 and end at 6:00 a.m. on December 15. This work will be happening in the rail corridor, close to Mimico GO Station. The scope of work involves the removal of rail and the installation of new concrete panels. This work is essential for the safe and smooth operation of GO trains.

Construction will take place during a major track closure, starting the evening of **Friday, December 12 to early Monday morning, December 15**. Work will be continuous, including both daytime and overnight periods.

Major Track Closures allow us to complete intensive, high-impact construction activities in a short, concentrated window. By doing this work while train service is paused, we significantly reduce the amount of overnight work required in the weeks and months that follow. Every effort will be made to minimize disruptions where possible.

WHAT TO EXPECT

- Although the works are not expected to be intrusive, residents should expect some noise and an increase in construction activities and traffic.
- Our staff will take reasonable precautions to minimize disturbances to residents and commuters, including but not limited to the following:
- Ensuring construction noise remains within the allowable limits set by the municipal by-law.
- Pointing lights away from residential windows (if used).
- Safely securing the work area.

HOURS OF WORK

- Start Date: December 12 at approximately 10:00 p.m.
- End Date: December 15 at approximately 6:00 a.m.
- Work will be happening 24/7, all weekend, day and night

LOCATION OF WORK

- Within the rail corridor

TRAFFIC DETAILS

- There are no anticipated traffic impacts from the upcoming works.

PEDESTRIAN DETAILS

- There are no pedestrian sidewalk or road closures planned for these activities.

COMMUNITY ENGAGEMENT

- Metrolinx has a dedicated community engagement team in place that works with residents and businesses in the Toronto West area.
- If you have any questions, please contact us using the information provided below
