

# Weekend piling work at Kipling Avenue and Eglinton Avenue West

**Scheduled dates:** Saturday, November 29, 2025

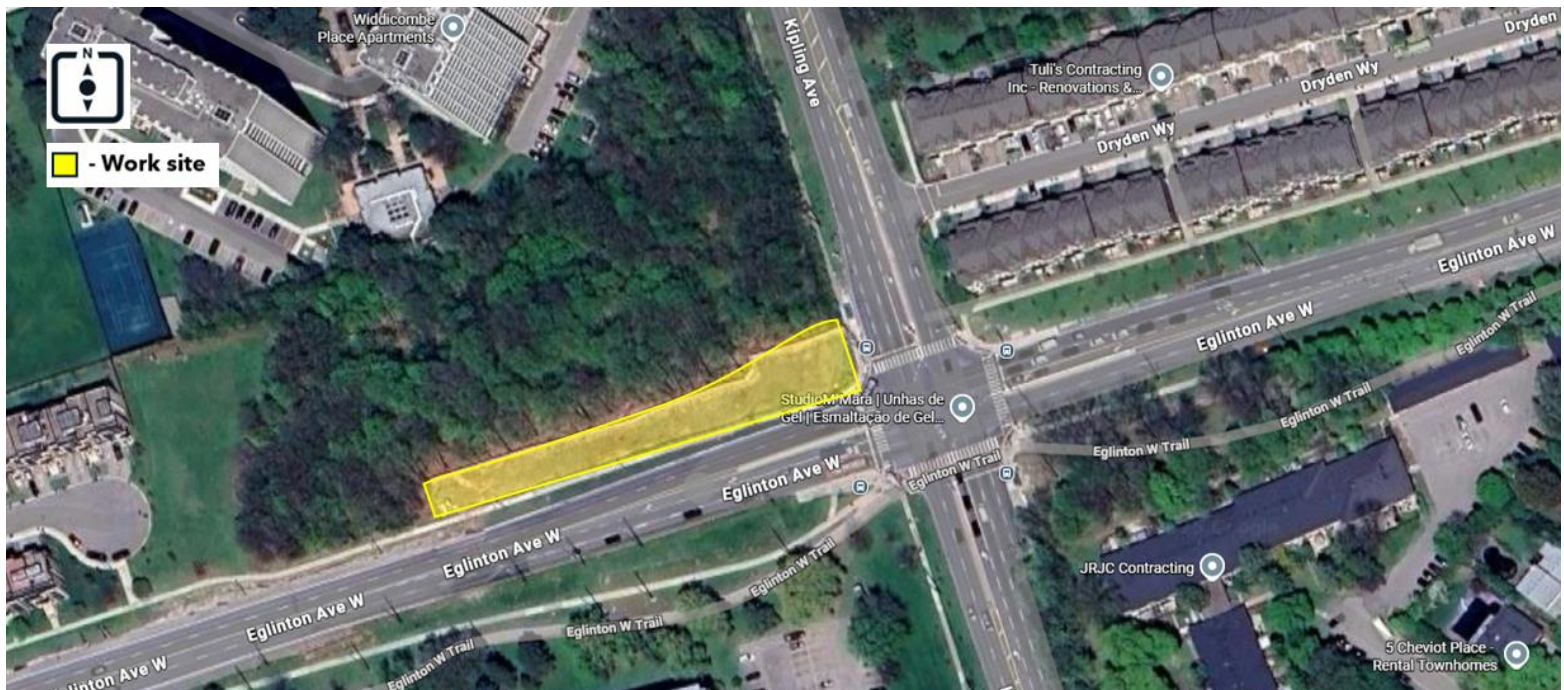

Saturday, December 6, 2025

Saturday, December 13, 2025

Saturday, December 20, 2025

**Construction hours:** 7:00 a.m. to 5:00 p.m.

## Map of work area:

## What is happening?

- Crews working on behalf of Metrolinx will be piling northwest of Kipling Avenue and Eglinton Avenue West on the following Saturdays:
  - Saturday, November 29, 2025
  - Saturday, December 6, 2025
  - Saturday, December 13, 2025
  - Saturday, December 20, 2025
- Saturday work has been temporarily added to the construction schedule to ensure a longer break period during the holiday season in late December and early January.
- This work is part of the station box construction on Eglinton Avenue West. A station box is an underground box-like structure that forms the main body of a transit station.
- Piling installation is when crews drill columns of reinforced concrete into the ground to create the foundation and framework for the future underground station.
- Monday through Friday work schedules remain unchanged.

## What to expect

- Residents can expect to see and hear noise from large machinery, such as drill rigs, excavators, dump trucks and equipment. Construction lighting may be visible on the work site.
- Measures are being put in place to reduce dust, including the use of water sprayers and biodegradable dust suppressants.
- Noise barrier walls are installed to dampen and reduce noise from construction.
- The information provided is anticipated based on the current construction schedule and is subject to change.

## About the project

- The Eglinton Crosstown West Extension will bring even more rapid transit to Etobicoke and Mississauga, making it easier for people to get where they need to be each day.
- The extension of Line 5 Eglinton will run 9.2 kilometres from Mount Dennis Station to Renforth Drive and will operate mainly underground. Once complete, it will create a continuous rapid transit line that stretches from Scarborough, through midtown Toronto, and into Mississauga.
