

# Update: McCowan Road and Bushby Drive/Town Centre Court construction zone activity

**Schedule:** November 2025 to October 2026

**Hours of Work:** Weekdays 24 hours, and Saturdays 7:00 a.m. - 5:00 p.m., as required.

*Note: Dates may be impacted due to weather conditions or unforeseen circumstances.*

## What is Happening

- As part of Scarborough Subway Extension construction, crews need to carry out ground improvement work and other construction activities which may require evening, overnight, or Saturday hours.
- As previously communicated, in some cases, we have been completing this work outside of normal work hours. The possibility of extended hours of work will continue over the identified timeframe.
- Mitigation measures are taken to reduce noise, light pollution, vibration, and dust.

## What to Expect

- Work areas will be clearly marked or fenced off to ensure public and worker safety.
- Flaggers and/or Paid Duty Officers will be used, as needed, to assist with vehicle and pedestrian traffic.
- Nearby residents may hear noise from this construction activity.

## About the Project

- A nearly eight-kilometre subway extension will extend Line 2 further into Scarborough.
- Three new stops will have connections to up to six other transit options, including TTC buses, GO trains, GO buses, Line 5 Eglinton, Durham Region Transit, and the proposed Sheppard Extension.
- The extension will accommodate up to 105,000 daily boardings and put 34,000 more jobs within walking distance to rapid transit.
