685 Danforth Avenue	December 9, 2025

- *The dates specified above are tentative and provided for planning purposes only. These dates are subject to adjustment based on the actual progress of the work and other relevant circumstances.
- Residents and businesses are advised not to flush their toilets or pour any liquids down their drains between working hours. Water service will not be affected.**
- This work is required to allow for repairs to the connections to the combined sewer along Danforth Avenue. This work will be conducted in the work area in the center of Danforth Avenue.

What to Expect

- Disruption to the sanitary service of impacted properties on Danforth Avenue.
- Construction equipment and materials will be secured within the work zones.
- Signage and safety barriers will be in place to delineate work zones.
- This work may be delayed due to inclement weather and/or unforeseen circumstances.

About the project

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar and bus lines.
- Approximately 40 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day.
