## What Is Happening

As part of works in preparation for the start of construction on the future Bloor-Lansdowne GO Station, Metrolinx will be conducting a demolition of 9 Dora Avenue starting on Monday, January 19, 2026. The work will take up to 3 weeks to complete and will require daytime work between the hours of 7:00 a.m. and 5:00 p.m., Monday to Friday.

This work is not occurring within the rail corridor. Every effort will be made to mitigate construction impacts to the local community as we work to bring you this new station along the Barrie line.

## WHAT TO EXPECT

- Structures located on 9 Dora Avenue will be demolished.
- Temporary fencing has been erected around the property to prevent public access.
- Equipment to be used include excavators, skid steers, and a triaxle truck.
- Signage will be posted along the perimeter fence to indicate the nature of the work occurring and to warn the public to not enter the construction site.
- Noise, dust and vibration: While demolition works will result in periodic noise, dust, and vibration, these impacts will be actively monitored, and every effort will be made to mitigate exposure to nearby residents.
  - A water truck will be used for dust suppression.

## HOURS OF WORK

- Work will occur during the daytime, between the hours of 7:00 a.m. and 5:00 p.m.
- At this time, no overnight work for this demolition is currently planned.

## LOCATION OF WORK

- Work will occur at and around 9 Dora Avenue, south of Bloor Street West and East of Dundas Street West.

## PEDESTRIAN DETAILS

- The demolition site has been fenced off. Work will not impact access to 10 Dora Avenue.
- Pedestrians should avoid the fenced construction site.

## TRAFFIC DETAILS

- The work site is located towards the west end of Dora Avenue and will not present major traffic disruptions.
- Any drivers driving by the site will be directed through, if needed.
- Driveway access will be maintained.

## TRANSIT INFORMATION

- Nearby GO Transit and TTC service will not be impacted.

## COMMUNITY ENGAGEMENT

- Metrolinx has a dedicated community engagement team in place that works with residents and businesses in the Toronto West area.
