

UPDATE: Track Work at Hurontario Street and Matheson Boulevard

February 9 at 9 a.m. to March 16, 2026 at 10 p.m.

What You Need to Know

Necessary track rework at the intersection of Matheson Boulevard and Hurontario Street will begin on February 9, 2026 until March 16, 2026. This track rework is being done to ensure safe operations of the future light rail vehicles.

This work requires left-turn restrictions at the intersection of Hurontario Street and Matheson Boulevard. Crews will be performing rework including track installation and concrete pouring. Detour routes will be available through via Milverton Drive, Avebury Road, Watline Avenue and Whittle Road.

Construction work at this intersection may be scheduled to take place 24 hours per day, until completion. Access for emergency vehicles across Hurontario Street at Matheson Boulevard will be maintained. Traffic signal timings will be adjusted to keep people moving. Pedestrian crossings will be maintained at a signalized crosswalk with the exception of the south crosswalk. Please follow the signs installed to assist with navigating around the closure.

Transit services will be impacted by these track works. Please visit www.miway.ca/updates and www.brampton.ca/transit for updates on your bus route.

In accordance with City of Mississauga Noise By-Law Exemption requirements, this notice is meant to advise that residents near the work site can expect to hear noise and vibration caused by trucks, excavators, loaders, triaxles, backhoes, and other construction equipment related to this work. Please note, work may be rescheduled due to weather or unforeseen circumstances. If you require the most up-to-date information, please reach out to peel@metrolinx.com and our team will provide you with e-updates of this work.

TIMING

- There will be left-turn restrictions at the intersection of Hurontario Street and Matheson Boulevard from February 9 to March 16, 2026.
