

Ontario Line

Snow clearing of Minton Place and portions of nearby streets

Expected date: Friday, February 6th, 2026

Time: 7:00am to 6:00pm

Minton Place Work Area

Tentative Snow Removal Area

What is happening?

- The Metrolinx contractor will be removing snow from portions of nearby streets.
- The goal of the snow clearing effort is to remove snow from:
 - Minton Place in its entirety
 - A stretch of Hopedale Avenue from Minton Place to just west of Stanhope Avenue.
 - Approximately half of Stanhope Avenue starting from Hopedale and moving southward.
- These are rough approximations for the snow clearing area. Timing alongside roadway availability will dictate how much snow can be cleared from within the community. Residents are requested to move vehicles where possible, to accommodate snow clearing equipment.
- A front-end loader with a bucket will be used to load snow into dump trucks, which will then carry it out of the area and to a snow receiving site.
- **This will require deviation from normal haul routes for one day. Flaggers will be present on both sides of the equipment to manage traffic interface and public and worker safety. Flaggers will also assist residents find alternate parking spaces wherever possible.**
- These works are set to take place from 7:00am to 6:00pm on Friday, February 6th, 2026.

What to Expect

- Construction equipment accompanied by flaggers deviating from normal haul routes for the day.
- Increase noise and construction equipment outside of the Minton Place work area.

About the project

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar, and bus lines.
- Approximately 30 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day
