

Bloor-Lansdowne GO: Overnight Continuous Work Zone Activities

Monday, March 9 – Friday, March 20, 2026*

*Date may be rescheduled due to inclement weather or unforeseen circumstances.

What Is Happening

Construction is now underway at the site of the future Bloor-Lansdowne GO Station. As part of this work, Metrolinx constructed a Continuous Work Zone (CWZ) within the rail corridor (see Figure 1). The CWZ separates the work zone from the rail corridor, allowing for more activities to be conducted during the daytime in this area. We will be conducting CWZ deficiency work, wherein fencing will be installed on the CWZ barriers. This work will begin on Monday, March 9, 2026, and will finish by Friday, March 20, 2026.

Work will take place overnight from 9:00 p.m. and 6:00 a.m., Monday to Friday, to ensure the safety of workers who require access to the rail corridor.

We understand that overnight work may be disruptive. Metrolinx will make every effort to minimize disruption where possible.

WHAT TO EXPECT

- Fencing will be installed on the CWZ (see Figure 1).
- The CWZ will be assessed and repaired as necessary.
- Equipment to be used includes excavators, loaders, dozers, and various trucks.
- Noise, dust and vibration: While drilling works will result in periodic noise, dust, and vibration, these impacts will be actively monitored, and every effort will be made to mitigate exposure to nearby residents. No equipment will be left to idle.
- Light: All lights will be pointed down towards the track.

HOURS OF WORK

- Work will take place at night, Monday to Friday, between 11:00 p.m. and 6:00 a.m.

LOCATION OF WORK

- Work will occur between Bloor Street West and Dublin Street, within the Barrie rail corridor.

PEDESTRIAN DETAILS

- At this time, no impacts on sidewalks or pedestrian pathways are expected.

TRAFFIC DETAILS

- The work site will not present major traffic disruptions.

TRANSIT INFORMATION

- Nearby GO Transit and TTC service will not be impacted.

COMMUNITY ENGAGEMENT

- Metrolinx has a dedicated community engagement team that works with residents and businesses in the Toronto West area.
- If you have any questions, please contact us using the information provided below.
