

# Ventilation Shaft Construction and Pape Station Bus Loop Restoration

Expected start date: Early March 2026

## What is Happening?

- In early March 2026, work on constructing the ventilation shaft and restoring the bus loop at Pape station will begin.
- Work is expected to continue for approximately 3 months and will take place Monday to Saturday between 7 a.m. to 7 p.m.
- The access gate on Lipton Avenue at Pape Avenue will be used for all entry and exit for the ventilation shaft work. The access gate at the north gate at Pape Avenue will be used for restoration work of the bus loop.

## What to Expect

- Noise from construction equipment, including concrete trucks, excavators, and trucks can be expected.
- Construction equipment and materials will be secured within the work zones.
- Signage and safety barriers will be in place to delineate work zones.
- This work may be delayed due to inclement weather and/or unforeseen circumstances.

## About the project

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar and bus lines.
- Approximately 40 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day.
