

Traction Power Substation (TPSS) Cable Pulling at Hurontario Street and Britannia Road

March 16, 2026 to mid-April 2026
Monday to Saturday, 7 a.m. to 10 p.m.

What You Need to Know

Crews will be conducting a cable pulling operation to one of the Traction Power Substations (TPSS). This work is scheduled to begin March 16, 2026, and continue until mid-April, 2026. Work will occur daily, Monday to Saturday 7 a.m. to 10 p.m.

Left turns restrictions from eastbound Britannia Road and southbound Hurontario Street will be in place, as well as lane reductions. Detours are available via Avebury Road, Sandstone Drive and Whittle Road. Access for emergency vehicles will be maintained during this work.

Please follow the signs installed to assist with navigating around the closure. Transit services and bus stops will not be impacted by these construction works.

In accordance with City of Mississauga Noise By-Law Exemption requirements, this notice is meant to advise that residents near the work site can expect to hear noise and vibration caused by trucks, excavators, loaders, triaxles, backhoes, and other construction equipment related to this work. Please note, work may be rescheduled due to weather or unforeseen circumstances. If you require the most up-to-date information, please reach out to peel@metrolinx.com and our team will provide you with e-updates of this work.

TIMING

- The TPSS cable pulling operation is scheduled to take place Monday to Saturday from 7 a.m. to 7 p.m. from March 16 to mid-April 2026.
- Work could be rescheduled and delayed due to weather conditions or unforeseen circumstances.

TRAFFIC DETAILS

- Eastbound and southbound traffic will be prohibited from making left-turns onto Hurontario Street and Britannia Road.
- Traffic delays are expected.
- Watch for slow moving vehicles entering and exiting work areas.
- Remember to reduce your speed when approaching lane reductions.
- Access for emergency vehicles will be maintained during this work.

WHAT TO EXPECT?

- Every effort will be made to minimize disruptions.
- Residents and businesses near the work site can expect to hear noise and vibration caused by trucks, excavators, loaders, triaxles, backhoes, and other construction equipment related to this work.

TRANSIT DETAILS

- Visit MiWay.ca for updates on your bus route.
- Watch for additional signs directing passengers at bus stops as boarding areas may be relocated.

PEDESTRIAN DETAILS

- Please take care when travelling near construction areas.
- Watch for additional signs directing pedestrians as detours may be required.
- Clear and defined walking paths will be maintained during construction to ensure pedestrian safety.

PROPERTY DETAILS

- Crews will not require private property access for this work.
