What is happening?

Metrolinx has begun early works construction to support Woodbine GO station. As part of this work, Metrolinx will be conducting track works within the rail corridor over a weekend service pause for the Kitchener line. Work will include the realignment of tracks and track removals. Work will begin at 9 p.m. on Friday, March 27 and will continue, day and night, into the morning of Monday, March 30 at 3:00 a.m.

GO Expansion

GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology, and more connections. Our goal is to deliver more than 10,000 train trips a week across the entire network. You won't need a schedule because you know the next train will be coming soon. GO Expansion will transform the GO rail network from a commuter service into a two-way, all-day rapid transit network.

WHAT TO EXPECT

- Activities include track cutting, realigning of tracks and track removals.
- Equipment to be used include specialized track equipment, excavators, dozers, loaders, and various trucks.
- **Noise:** Residents and businesses near the rail corridor may hear noise caused by trucks, heavy equipment and material delivery and other construction equipment required for this work. Work will be conducted quickly and as efficiently as possible to minimize disturbances in the area.
- **Lights:** Lights will be directed into the corridor to minimize light pollution into nearby buildings and businesses.
- **Safety:** To ensure the work is completed safely, Metrolinx will be conducting these activities on the track within the rail corridor during a weekend Kitchener line pause in GO service.

WORK HOURS

- Work will be continuous, day and night, beginning at 9 p.m. on Friday, March 27 and will finish by Monday, March 30 at 3:00 a.m.

TRANSIT INFORMATION

- There will be no GO service along the Kitchener line from the morning of Saturday, March 28 until the morning of Monday, March 30.

TRAFFIC DETAILS:

- There are no expected traffic impacts.

PEDESTRIAN DETAILS

- No pedestrian impacts are expected.

COMMUNITY ENGAGEMENT

- Metrolinx has dedicated community engagement teams available to connect with residents and businesses.
- If you have any questions, please see the contact information below for the Toronto West Community Engagement team.
