

St. Clair-Old Weston Station: Vegetation Removal and Lane Closure

Wednesday, March 25 – Friday, March 27, 2026 (2:00 a.m. - 5:00 a.m.)

**Dates may be rescheduled due to inclement weather or unforeseen circumstances.*

WHAT IS HAPPENING

As part of early works for the future St. Clair-Old Weston Station, crews will be removing vegetation along the north side of St. Clair Avenue West, between Weston Road/Keele Street and Old Weston Road. Residents can expect some noise associated with vegetation clearing.

These activities will require an overnight closure of the westbound lane of St. Clair Avenue West. A traffic management plan will be in place to direct vehicles and pedestrians through the work area.

To ensure public safety, work will take place overnight from 2:00 a.m. to 5:00 a.m. from Wednesday, March 25 to Friday, March 27, 2026.

WHAT TO EXPECT

- Crews will remove trees and vegetation in areas along the north side of St. Clair Avenue West.
- Staff will use designated access routes to navigate through the work zone.
- Crews will use electric saws, a bucket truck, and other construction equipment to complete the work. Depending on vegetation density, a woodchipper may also be used.
- Some noise vibrations, dust, and site lighting are expected during this work. Crews will take steps to reduce disturbances as needed, including:
 - Using methods to control dust, light, and noise.
 - Pointing lights away from residential windows and public spaces.
 - No idling of non-essential equipment. Vehicles and equipment will be equipped with white noise alarms.

WORK HOURS

- Vegetation removal will take place overnight from Wednesday, March 25 -27, 2026 between 2:00 a.m. to 5:00 a.m.

TRAFFIC & PEDESTRIAN DETAILS

- There will be a lane closure along St. Clair Avenue West. Traffic control and detour signage will be in place to guide drivers.
- The north side of St. Clair Avenue West will be closed to vehicles, bicycles, and pedestrians. Wayfinding signage will be in place.
- Westbound detour routes are accessible via Keele Street, Old Weston Road, and Junction Road*.
- Please follow all posted detour signs and exercise caution around construction sites.

TRANSIT DETAILS

- Westbound TTC routes (512 Streetcar and 312 Night bus) along St. Clair Avenue West will continue to operate.

COMMUNITY ENGAGEMENT

- Metrolinx has a dedicated community engagement team that works with residents and businesses in the Toronto West area.
