

# Overnight weekend work in the Lakeshore East rail corridor

**Date:** Friday, April 10 to Monday, April 13, 2026

**Hours of work and duration:** Work will be continuous between Friday 7 p.m. to Monday 5 a.m.

## What is happening?

- From Friday, April 10 to Monday, April 13, 2026, various work activities will take place in the rail corridor from Eastern Ave. to Jones Ave.
- Construction activities will include track resurfacing, track installation, and graffiti removal.
- During this weekend, work will take place on a 24-hour basis to ensure that all necessary tasks are completed during the closure.
- Ongoing construction activities along the rail corridor and rail bridges will proceed as scheduled.
- Sections of the Lakeshore East rail corridor need to be closed to safely complete this work. GO train service will be affected. For more details, please refer to the **Transit information** section below.

## What to expect

- Construction activities may include track resurfacing, track installation, track maintenance, graffiti removal, utility installations.
- The track resurfacing and track installation work cannot be done while trains are running. Lakeshore East must be shut down over the weekend to complete the work safely.
- Disruptive activities will be scheduled during the daytime wherever possible, and noise mitigations, such as barriers and coverings, will be used to reduce impacts.

- This work will take place between Eastern Ave. to Jones Ave. No new traffic or pedestrian impacts are expected.
- Construction vehicles will enter and exit from the existing access roads.
- Site lighting will be required at night and will be positioned away from residential properties.
- Noise and vibration from construction equipment, including excavators, track surfacing equipment, rollers, loaders, dump trucks and hand tools (hammers), can be expected.
- Monitoring instruments are in place to ensure that noise and vibration levels stay within acceptable limits.
- Construction equipment and materials will be properly secured within the work zone.
- This work may be delayed or rescheduled due to inclement weather and/or unforeseen circumstances.

## Transit information

- On Saturday, April 11 and Sunday, April 12, GO buses replace trains between Durham College Oshawa and Pickering GO, then run direct to Union Station Bus Terminal. There will be no GO Transit service at Rouge Hill, Guildwood, Eglinton, Scarborough, and Danforth GO stations.
- Some late-night service will be adjusted Friday, April 10.
- Visit [GoTransit.com](http://GoTransit.com) for the latest service updates.

## About the Ontario Line

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar, and bus lines.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer car trips each day.
