

# East/West Traffic and Turning Restrictions for Track Installation at Pinewood Trail/Indian Valley Trail and Hurontario Street

Beginning April 17, 2026 to May 25, 2026

## Project Overview

The Hazel McCallion Line project will be an 18-kilometre, 19-stop light rail service connecting people from the Port Credit GO station to the Brampton Gateway Terminal.

Information as of: April 2026

## What You Need to Know

Beginning April 17, 2026, crews will be starting work on the intersection at Hurontario Street and Indian Valley/Pinewood Trail. During this work, there will be restricted vehicular access through this intersection including no left turns. Access to and from Indian Valley Trail to Hurontario Street will be available via Mineola Road and Glenburnie Road. Access to and from Pinewood Trail will be available via Mineola Road and Goldthorpe Road. This intersection will become signalized during guideway construction work.

This work is scheduled from April 17 to May 25, 2026.

Traffic signal timings will be adjusted to keep people moving. Pedestrian crossings will be maintained at a signalized crosswalk. Please follow the signs installed to assist with navigating around the closure. Transit services will be impacted by these construction works. Please visit [www.miway.ca/updates](http://www.miway.ca/updates) for updates on your bus route.

In accordance with City of Mississauga Noise By-Law Exemption requirements, this notice is meant to advise that residents near the work site can expect to hear noise and vibration caused by trucks, excavators, loaders, triaxles, backhoes, and other construction equipment related to this work.

Please note, work may be rescheduled due to weather or unforeseen circumstances. Please see roadway signage for the latest information. If you require the most up-to-date information, please reach out to [peel@metrolinx.com](mailto:peel@metrolinx.com) and our team will provide you with e-updates of this work.
