

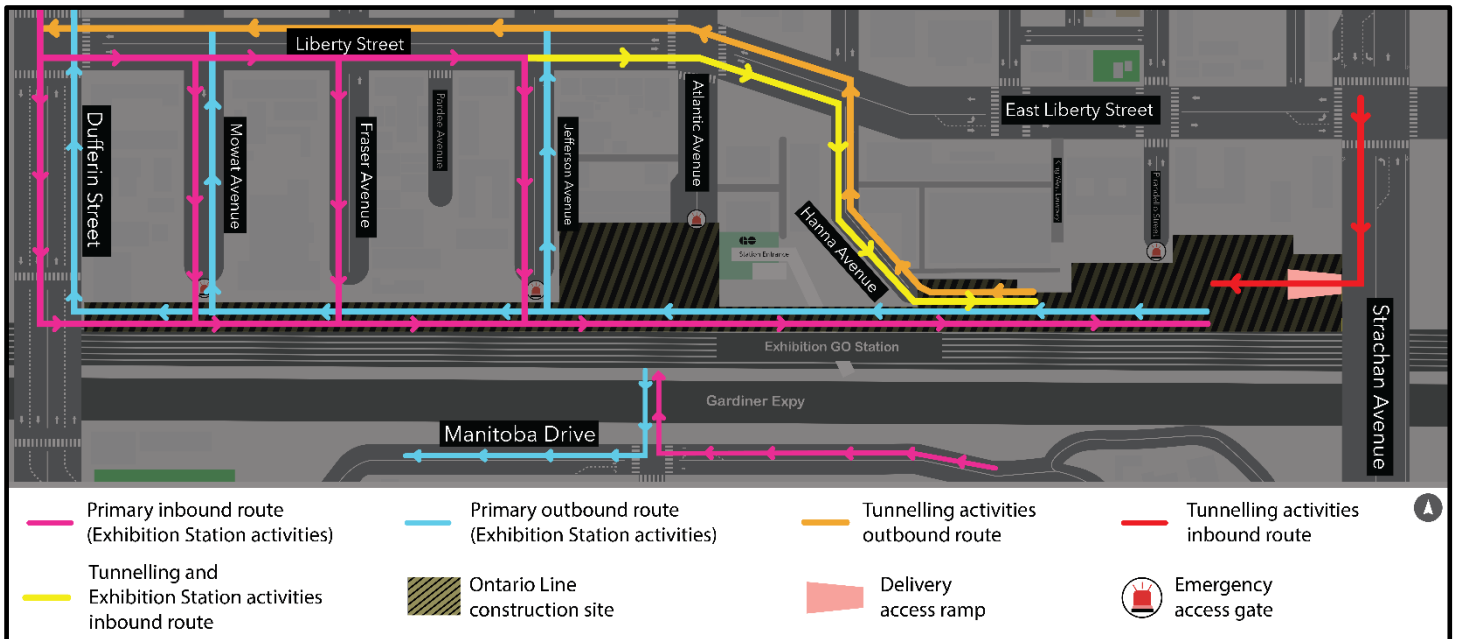

# Exhibition Station: Truck Routes

## What is happening?

Construction is ongoing to deliver the Ontario Line at Exhibition. Crews have been directed to follow an updated hauling and traffic management plan, as seen in the image below.

## Updated Truck Route

**Occasional oversized deliveries may occur through Hanna Avenue. If the designated gate is unavailable, trucks may use an alternate approved gate as directed. Haul routes are subject to change.**

## What to Expect

- Neighbours can expect to see and hear trucks entering and exiting the site from multiple access points, as shown on the map.
- Trucks may enter and exit the site during all operational hours.
- When required, flag personnel will guide vehicles to and from sites, ensuring pedestrian, cyclist, and vehicle safety.
- Mitigations are in place to limit the impact of debris and dirt on city streets.

## About the Ontario Line

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar, and bus lines.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day.
