Map of work area:

What is happening?

- Crews on behalf of Metrolinx will be reinstating the pavement along Pearen Street, Weston Road and Glenvalley Avenue.
- This work is required to restore the area following construction.
- These works will ensure the roadway and surrounding areas are safe and fully functional.

What to expect

- While paving is underway, nearby residents can expect to hear noise from equipment, such as excavators, asphalt saws, asphalt grinders, paving machines and trucks.
- Temporary lane closures will be required as follows:
 - One southbound temporary lane reduction on Weston Road
 - One westbound temporary lane reduction on Glenvalley Dr.
 - One northbound temporary lane reduction on Pearen St.
- Access to all driveways and entrances will be maintained.
- Detours will be clearly marked with signage. Flaggers will be deployed as needed to keep vehicles, cyclists and pedestrians moving safely as required.
- Construction activities may cause traffic delays. Please plan accordingly and consider alternative routes.
- Remember to reduce your speed when approaching work zones and watch for slow-moving vehicles entering and exiting work areas.
- Work hours may be extended to complete the work safely and efficiently.
- The information provided in this notice is anticipated based on the current construction schedule and is subject to change.
- Work may be delayed due to weather or unforeseen circumstances.

About the project

- The Eglinton Crosstown West Extension will bring even more rapid transit to Etobicoke and Mississauga, making it easier for people to get where they need to be each day.
- The extension of Line 5 Eglinton will run 9.2 kilometers from Mount Dennis Station to Renforth Drive. Once complete, it will create a continuous rapid transit line that stretches from Scarborough, through midtown Toronto, and into Mississauga.
