

Road Restoration at Gertrude Place

Date and hours: Saturday, May 2, 2026, between 8:00 a.m. to 9:00 a.m., and 12:00 p.m. to 1:00 p.m.

What is Happening?

In preparation of the next phase of jet grouting at Gertrude Place and Muriel Avenue, the road where the current jet grouting works are taking place will be restored. Gertrude Place may be closed for up to 5 minutes while asphalt trucks access the jet grouting site from Pape Avenue. Paid duty officers and traffic flaggers will be in place to safely direct vehicles and pedestrians. Approximately 5 trucks will be used, with 3 accessing the site in the morning and 2 in the afternoon.

What to Expect?

- Construction equipment and materials will be secured within the work zones.
- Signage and safety barriers will be in place to delineate work zones.
- This work may be delayed due to inclement weather and/or unforeseen circumstances.

Traffic Changes

- Gertrude Place will be reduced for periods of time during the work
- A paid duty officer, flaggers and detour signs will be onsite to direct traffic as needed.

Pedestrian Access

- Pedestrian detours may be required, with signs in place to direct pedestrians as needed.

About the project

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar and bus lines.
- Approximately 30 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day.
