

Green Road: Rail Bridge Construction

From May 25 2026 to May 31 2028

Work Hours: Monday to Friday, 7:00 a.m. to 5:00 p.m.

**Date subject to change as a result of unforeseen circumstances or inclement weather*

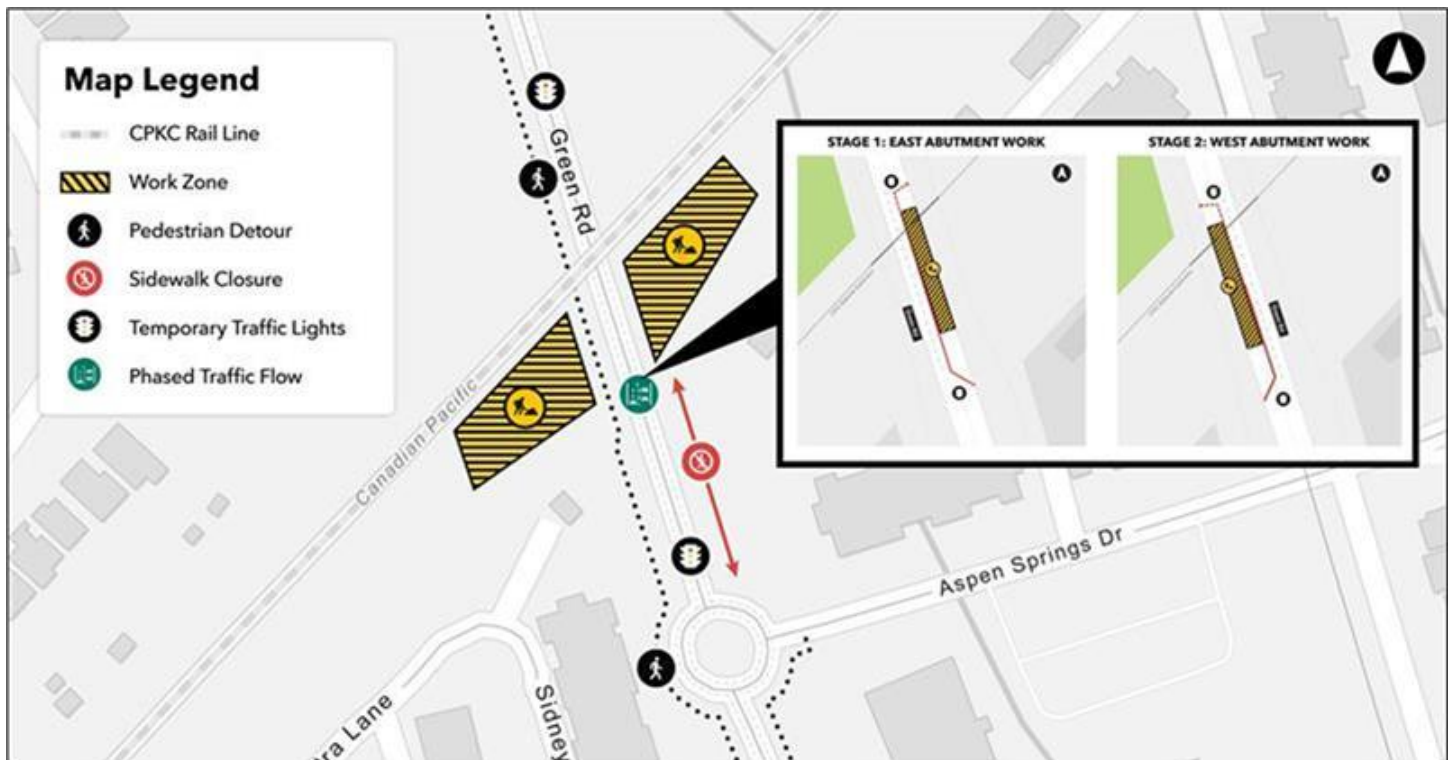

Figure 1 Map showing work zone and associated traffic management plan on Green Road.. Not to scale.

Project Overview

The Bowmanville Extension will extend Lakeshore East GO rail service nearly 20-kilometres east of the Durham College Oshawa GO Station to Bowmanville, serving the Region of Durham. Expanded rail service will provide Durham Region with direct connections to the larger GO Transit network, helping to reduce congestion in the region while better connecting customers to education, family, entertainment, and jobs.

What is happening?

Metrolinx will be constructing an above-grade rail bridge on Green Road next to the existing CPKC rail bridge, north of Aspen Springs Drive and south of Clarington Boulevard.

Works as part of this scope will include a storm sewer relocation, track support work, excavations, shoring, foundation work, and abutments. The construction will also require alternating single-lane reductions of Green Road during work hours.

WHAT TO EXPECT

- Trucks and construction equipment may generate dust during construction.
- Crews will take precautions to monitor and reduce dust.
- Increased presence of construction vehicles and equipment can be expected in the work area.
- Please exercise caution around active construction sites.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances
- Trucks leaving the site will use Green Road .
- Trucks entering the site will use Green Road.
- Residences and businesses in the area may experience noise and vibration caused by construction equipment related to this work.
- Crews will take measures to minimize disruptions to the surrounding area wherever possible.
- To minimize noise impacts on the community, noise and vibration monitoring equipment will be installed prior to construction. These devices will help to detect exceedances early to proactively conduct corrective actions as needed while crews work.

WORK HOURS

- Work will be between Monday to Friday from 7:00 a.m. to 5:00 p.m.

TRAFFIC DETAILS:

- Lanes on Green Road will be reduced for the duration of the work. Signage will redirect traffic around the work zones.
- Two-way directional traffic will be maintained during the work.

TRANSIT INFORMATION

- There is no anticipated impact to transit services.

PEDESTRIAN DETAILS

- Temporary sidewalk closures or pedestrian detours will be in place while the work is underway, with signs in place to direct pedestrians as needed.

COMMUNITY ENGAGEMENT

- Metrolinx has dedicated community engagement teams available to connect with residents and businesses.
- If you have any questions, please email us at DurhamRegion@metrolinx.com or call us at 416-202-3900.
