

Watermain relocation on De Grassi Street between Queen Street and Wardell Avenue

Expected start date: As early as **May 12, 2026** for **three weeks**

Hours of work: Monday to Friday, between 7 a.m. to 7 p.m.

What is happening?

- To facilitate construction of Leslieville Station, crews must relocate the watermain along De Grassi Street.
- The watermain relocation will be performed in two phases.
- For each phase traffic and pedestrian routes along De Grassi Street will be shifted to accommodate the relocation work.
- Traffic control personnel will also be on-site to safely direct motorists and pedestrians.

What to expect

- This work is scheduled to begin as early as **May 12, 2026** and is expected to take up to **three weeks** to complete.
- This work will require a temporary turn restriction from the rear residential lane onto De Grassi Street.
- Temporary pedestrian detours will be required in order to complete this work.

- All work areas will be delineated from the public.
- Noise construction equipment can be expected, specifically hydrovac trucks.
- **To safely complete this work, water service will be suspended for one overnight period. A separate notice with the specific date and time will be provided to affected properties in advance.**
- Work may be postponed or rescheduled due to unforeseen circumstances.
