

Borehole drilling on Eglinton Avenue West near Richview Road

Expected start: June 15, 2026

Expected completion: June 26, 2026

Work hours: Daytime between 9:00 a.m. to 4:00 p.m.

Map of work area:

What is happening?

- Crews working on behalf of Metrolinx will be drilling three boreholes approximately 35 metres deep, collecting soil samples and installing groundwater monitoring wells to help measure water levels as part of planning work for the Eglinton Crosstown West Extension.
- **Update:** Work on the south side of Eglinton Avenue West, adjacent to 4005 Eglinton will take place between June 15 - June 26, 2026.

What to expect

- The traffic lane east of the driveway at 4005 Eglinton Avenue West will be temporarily closed.
- The sidewalk in front of 4005 Eglinton Avenue West will be temporarily closed. A diversion will be in place to maintain pedestrian access.
- Traffic control personnel will be available to assist vehicles turning in and out of the driveway at 4005 Eglinton Avenue West.
- Fencing and traffic barrels will be used to separate the work zones.
- A hydro-vac truck will expose underground utilities to a depth of three meters before drilling begins.
- A small track mounted drill rig will be used for drilling.
- Crews may return to the work areas periodically over the next six months to collect water samples from the monitoring wells. Sampling will be for short durations (up to one hour).
- Water will be used during drilling to help control dust, and equipment will not idle unnecessarily.
- Once drilling is complete, the borehole will be filled and the ground restored. The work area will be cleaned, and any debris or soil will be removed.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances. Overnight or weekend work may be scheduled as needed.

About the project

- The Eglinton Crosstown West Extension will bring even more rapid transit to Etobicoke and Mississauga, making it easier for people to get where they need to be each day.
- The extension of Line 5 Eglinton will run 9.2 kilometers from Mount Dennis Station to Renforth Drive. Once complete, it will create a continuous rapid transit line that stretches from Scarborough, through midtown Toronto, and into Mississauga.
