

Lane closures/diversions on Eglinton Avenue East

Schedule: Tuesday, May 26 – Tuesday, September 1, 2026

Hours of Work: 7:00 a.m. to 7:00 p.m. weekdays, with the possibility of work overnight or Saturdays, 7:00 a.m. to 5:00 pm.

What is Happening?

- To prepare for future Scarborough Subway Extension construction, Eglinton Avenue East will be diverted to the north between Huntingdon Avenue and Falmouth Avenue.
- Within the work zone, crews will be carrying out Support of Excavation (SOE) activities in preparation for construction
- The SOE work will include piling and pouring concrete for below-grade foundational structures. Piling is the process of inserting concrete columns into the ground to reinforce the soil.

What to Expect?

General

- Increased presence of construction vehicles and equipment can be expected in the work area.
- Work areas will be clearly marked or fenced off to ensure public safety.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances

Traffic

- Minor delays may be experienced near the work zone.
- Westbound and Eastbound lanes on Eglinton Avenue East will be reduced for the duration of the work.
- Eglinton Avenue East will be rerouted for the duration of the work. Signage will redirect traffic around the work zones.
- Two-way directional traffic will be maintained during the work.
- A paid duty officer, flaggers and detour signs will be onsite to direct traffic as needed

Transit Service

- The bus stop(s) at Falmouth Avenue and Gilder Drive will be temporarily relocated away from work zones to slightly east of the work zone. Signs will be posted to keep residents informed.

Noise and Vibration

- Residences and businesses in the area may experience noise and vibration caused by construction equipment related to this work.

Pedestrian Access

- Clear and defined walking paths will be maintained during construction to ensure pedestrian safety.

About the Project

- A nearly eight-kilometre subway extension will extend Line 2 further into Scarborough.
- Three new stops will have connections to up to six other transit options, including TTC buses, GO train, GO buses, Line 5 Eglinton, Durham Region Transit, and the proposed Sheppard Extension.
- The extension will accommodate up to 105,000 daily boardings and put 34,000 more jobs within walking distance to rapid transit.
