

Overnight work: utility relocation on Overlea Boulevard east of Millwood Road

Expected start date: As early as July 13, 2026

Expected duration: Two weeks

Hours of work: Monday to Thursday 7 p.m. to 5 a.m.

Lane-by-lane closures on Overlea Boulevard east of Millwood Road

1. Closure of the westbound curb lane on Overlea Boulevard east of Millwood Road.

2. Closure of the westbound left turn lanes (one at time) on Overlea Boulevard east of Millwood Road.

3. Closure of both westbound and eastbound centre lanes Overlea Boulevard east of Millwood Road.

4. Closure of the eastbound curb lane on Overlea Boulevard east of Millwood Road.

5. Closure of the bike lane adjacent to the eastbound curb lane on Overlea Boulevard east of Millwood Road.

What is happening?

- Ahead of construction for the foundations of the Ontario Line elevated guideway on the north side of Overlea Boulevard, Metrolinx contractors will relocate telecommunication utilities where they conflict with the guideway structure near 2 Overlea Boulevard and 1 Leaside Park Drive.
- Starting as early as July 13, 2026, crews will drill underground and install conduit (empty pipes) under the roadway.
- Once the conduit is installed, crews will carry out work to pull and splice cables.
- Construction will require the use of a hydro-vacuum excavator (hydrovac) that has notable noise impacts. The use of a hydrovac ensures safety around underground utilities and enables faster and more accurate excavation.

What to expect

- Residents, businesses, and visitors may notice temporary disruptions to traffic and pedestrian movement while temporary traffic control measures are being installed and when equipment is moving through the area.

- **Lane-by-lane closures on Overlea Boulevard east of Millwood Road will be in place during construction hours. The lane closures will occur in the following stages:**
 1. Closure of the westbound curb lane on Overlea Boulevard east of Millwood Road.
 2. Closure of the westbound left turn lanes (one at time) on Overlea Boulevard east of Millwood Road.
 3. Closure of both westbound and eastbound centre lanes on Overlea Boulevard east of Millwood Road.
 4. Closure of the eastbound curb lane on Overlea Boulevard east of Millwood Road.
 5. Closure of the bike lane adjacent to the eastbound curb lane on Overlea Boulevard east of Millwood Road.
- Closure of each lane will be short term, approximately 2-3 hours, and full access to all lanes will be reinstated by 5 a.m. each morning.
- Traffic will be maintained through the remaining open lanes.
- Access to bus stops near the construction area will be maintained.
- Traffic control personnel, barriers, and signage will be in place to support the safe movement of vehicles, pedestrians, and construction equipment.

Note:

- Work may be delayed, rescheduled, or extended due to weather conditions or unforeseen circumstances.
- Visit **metrolinx.com/OntarioLineConstruction** for more information on work happening in your community.
- For more information about upcoming construction, please see metrolinx.com/OntarioLine or sign up for the **e-newsletter at metrolinx.com/subscribe**.
