

Geotechnical investigations on Balsam Avenue

Scheduled Start Date: August 17, 2026

Scheduled End Date: October 09, 2026

Working Hours: Monday to Friday, 7:00 a.m. to 5:00 p.m.

Map showing approximate locations of boreholes on Balsam Avenue

What Is Happening?

As part of our geotechnical investigations, crews will be drilling boreholes along Balsam Ave. Soil samples will be collected in order to assess ground conditions. This work is in support of future GO Expansion track and infrastructure improvements.

What to Expect?

- Construction lighting may be visible from the work site.
- Increased presence of construction vehicles and equipment can be expected in the work area.
- Work areas will be clearly marked or fenced off to ensure public safety.
- Please exercise caution around active construction sites.

Traffic Changes

- No disruptions to traffic are anticipated.

Pedestrian Access

- Temporary sidewalk closures or pedestrian detours will be in place while the work is underway, with signs in place to direct pedestrians as needed.

Noise & Vibration

- Residences and businesses in the area may experience noise and vibration caused by construction equipment related to this work.
- Crews will take measures to minimize disruptions to the surrounding area wherever possible.

Transit Service

- There is no anticipated impact to transit services.
-

About the Project

GO Expansion will bring faster, more frequent train service by delivering new transit infrastructure and operational plans that will reduce journey times, add capacity and further improve on-time performance and customer satisfaction. The goal is to create a network with the capacity to deliver service every 15 minutes or better, all-day in both directions on core routes across the GO rail network.
